

# GRADING BUCKETS HYDRAULIC HORIZONTAL CYLINDERS

Available in sizes from 60 to 1350 litres. Extremely robust construction with Hardox even in the small models. 40 degree tilt with top quality cylinders.

#### BENEFITS:

Powerful cylinders

Strong tilting force to 40 degrees

Hardox in the side cutters and side wear plate

Wear ribs and front edge made of 500 HB

Available in standard and HD versions
