

ENVIRONMENTAL BUCKET

Its **hydraulic clamp** arms make this an extremely useful all-round attachment for handling bulky material. Available in several different versions depending on requirements. Sizes from 1.5 m³ to 8 m³.

Art no	Article	Volume SAE [m ³]	Width [mm]	Weight c. [kg]
39015230	Environmental bucket	1,5	2300	1500
39025250	Environmental bucket	2,5	2500	1600
